HEALTHOXY PVT. LTD.

AN ISO 45001:2018 CERTIFIED COMPANY

ABOUT THE COMPANY

Dear Sir / Madam

Established in the year 2012, **Healthoxy** in Badarpur, Delhi is a top player in the category Nurse Bureaus in the Delhi. This well-known establishment acts as a one-stop destination servicing customers both local and from other parts of Delhi. Over the course of its journey, this business has established a firm foothold in it's industry.

The belief that customer satisfaction is as important as their products and services, have helped this establishment garner a vast base of customers, which continues to grow by the day. This business employs individuals that are dedicated towards their respective roles and put in a lot of effort to achieve the common vision and larger goals of the company. In the near future, this business aims to expand its line of products and services and cater to a larger client base. In Delhi, this establishment occupies a prominent location in Badarpur. It is an effortless task in commuting to this establishment as there are various modes of transport readily available. It is at 60 Feet Road, Opposite Rahul medica store, which makes it easy for first-time visitors in locating this establishment. It is known to provide top service in the following categories: Nurse Bureaus, Home Nursing Services, Nursing Services, 24 Hours Home Nursing Services, Home Nursing Services For Senior Citizen, Home Nursing Services For Bedridden, Home Nursing Services For Cancer Patient, Home Nursing Services For Brain Stroke Patient.

Thanks & Regards

PHYSIOTHERAPIST

Whether you have lingering back pain or stiff or a physical injury that you want to recover from. You can get the treatment in your home with all the relaxation and comfort. We provide physiotherapy at home in Delhi with our specialized physiotherapist who would help you get the healing from any pain soon.

ELDERLY CARE AT HOME

Eldercare is as important as your child since when your parents or elders grow old they lose the ability to understand things maturely instead think like a child who needs to be pampered equally. We provide in home nursing care for elderly in Delhi who take care of your elder's health understanding their needs encourages them to be responsible for themselves.

BABIES CARE AT HOME

If your baby has just arrived from the hospital or has been at home for a few months now. He / She always needs your help and care until they grow old enough to speak what they need. We provide baby care taker services at home in Delhi to help you resolve the concern of your baby. Our baby caretaker will ensure that your child gets instant facilities and care.

BED RIDDEN PATIENT CARE

Taking care of bed-ridden patients is not easy. With today's lifestyle in which you are always on the go, you just need someone who can take care of someone your own all day. We offer bedridden patient care at home in Delhi with our specialized care takers. We aim to deliver top class services and take care of their routines, medical needs and health.

PARKINSON'S CARE

We provide home care services with certified attendants that take care of the needs of the patients. With professional experience and years of service, our nursing attendant at home in Delhi will help your loved ones into their day to day living activities. You can find complete help for anyone who is in need, they make sure to look after the patient very well.

DEMENTIA CARE AT HOME

In a disease like Dementia, it is better to treat and take care of the patients at home than in the hospital. We provide Dementia home care services in Delhi with our specialized team of caretakers. Our in-home services to all stage patients of Dementia is a true help for those whoneed the caretaker for their loved ones.

CANCER CARE AT HOME

We have trained and certified nurses for cancer patients at home in Delhi who are skilled and provide support and care. Our nurses provide care to patients during and after cancer treatment. Many cancer patients receive the most part of the treatment at home than in the hospital which requires a caretaker who is always there for the help of the patient.

CRITICAL CARE

Caring for paralysis patients at home is the best way to take care of your loved one by making them feel loved. We provide personalized paralysis patient care at home in Delhi with a number of registered caretakers who will take care of their mobility aids, physical therapies and doctor's appointments.
